**LETTER OF REFERENCE FOR CAYLEY SYMONS**

This hereby confirms that Cayley Symons is currently a Grade 12 pupil at St Andrew's School for Girls and is completing her final year of high school. She will leave at the end of this year, having completed her National Senior Certificate examinations through the Independent Examinations Board. Cayley has produced excellent results in the academic programme. She has a very good work ethic and is highly motivated.

In the co-curricular sphere, Cayley made a significant contribution to school tennis and hockey. She is a talented sportswoman and always displayed admirable sportsmanship and commitment to the team. Over the past four years, Cayley has proved to be a pivotal member of the schools tennis team. In recognition for her notable tennis achievements, at both a school and provincial level, Cayley has been awarded full colours twice. Although Cayley's focus is tennis, she is also a strong hockey player and was appointed as the hockey captain for the 2021 season.

As part of her leadership responsibilities, Cayley served on the Sports task team where she contributed constructively during task team meetings and was actively involved in ensuring that tasks were carried out with enthusiasm and efficiency. Cayley willingly participated in all the interhouse events, leading by example and easily fulfilling her position as a role model to her peers.

She is a resourceful and strong young woman who upheld the ethos of St Andrew's in displaying depth of character and making choices for the greater good.

Cayley has been a hard-working, cheerful and reliable member of the St Andrew's community, making an enormous impact on our school. I have no hesitation recommending Cayley to you as a tennis player that still has so much greatness ahead of her. St Andrew's will be proud to see her follow her dream of playing tennis for a University in the United States.
